STOCK TRANSFERS

If you are interested in making a stock donation to Freedom's Promise, please email or call Jeremy Hall (JHall@rwbaird.com / 615-341-7046) or his assistant Meghan Harrington (MMHarrington@rwbaird.com / 615-341-7022) at Robert W. Baird & Co. You can provide them with the name of the brokerage firm where the stock is currently held, the amount of shares you would like to donate, and the account from which the shares will be coming from and they will assist you with the transfer. Once the transfer is complete, they will also send you a letter confirming your donation and the amount for tax purposes.

PLANNED GIVING

Trusts and direct gifts are only one way of helping your favorite ministry. Many other alternatives are available. Some allow you to maintain control of your asset and still avoid future tax problems that might have occurred without the charitable planning. Learn the many questions that are not usually addressed by your CPA, attorney, or advisor.

Freedom's Promise is proud to be working with the team at Assurance Financial Partners, LLC who can help you find out these critical facts before you make any financial decision.
